The Officer's Daily Log

Meet Boutiques Manager Marcin Korzeniewski

Marcin Korzeniewski was born in Rawo Mazowiecka, Poland. After time spent ashore in Human Resources, Marketing and Management, Marcin came aboard with Princess Cruises in 2005. He moved quickly through the ranks and is proud to say he's been a Boutique Manager for seven years.

Venice is Marcin's favorite Princess destination, which he considers a city of timeless romance for people of all ages.

When he's not meeting friendly new faces onboard, Marcin enjoys bike riding, reading, and catching up with his friends and family.

By Boutiques Manager Marcin Korzeniewski

South Queensferry is your gateway to Edinburgh, Scotland's magnificent capital city and home to Edinburgh Castle. This castle sits atop an ancient volcano plug named Castle Rock that rises above the city in all its brilliance. See the Crown Jewels inside the castle or take in a history lesson at Bannockburn Heritage Centre, where you'll get an in-depth look at some of the most significant periods of Scotland's past.

Bargain hunting for local specialties at our various destinations is one of the pleasures of every cruise. Many people return from Edinburgh with classic Scottish tartan (plaid) products such as kilts and blankets. Wool clothing is abundant in Scotland, and in Edinburgh you'll also find Ouaich, a shallow metal drinking cup with two handles used to serve whisky – just don't forget to buy the whisky to go with!

Of course, throughout this cruise on Royal Princess®, our convenience store makes it easy to find snacks, toiletries, suntan lotion and any other sundries you may have forgotten to pack. Then there's our collection of boutiques, where you'll find a fabulous range of fine merchandise and exceptional values. Everyday tax- and duty-free savings can add up to as much as 60% off suggested U.S. retail prices.

Looking to find something special on board? Our wide selection of fine brands includes Effy, Asher, Swarovski, Majorica, Crislu, Lancome, Estee Lauder, Chanel, Dior, Guess, Citizen and Tissot, as well as a wide variety of signature Princess merchandise. Also, you can pick up some casual wear or formal attire from name brands such as Cristina Alexander, Tommy Hilfiger and Joseph Ribkoff.

And for your convenience, branded liquor and tobacco are available for pre-ordering throughout your cruise—these purchases will be ready for pick-up prior to disembarking.

In port or at sea, I hope you'll find shopping yet another highlight of your cruise.

From the Navigator

On our approach to South Queensferry, once we will pass the fairway buoy, we will embark the local pilot and, after that, we will enter the buoyed channel aiming toward our anchor position, which is located between Battery Point (the northern part of the Railway Bridge), Inch Garvie Island and Whitehouse Point (approximately half nautical mile from each). Once there, we will drop the ship's anchor and we will start our tenders operations. On departure, once all on board, we will heave up the ship's anchor and, when tenders and anchor will be secure, we will retrace our track exiting from the buoyed channel, disembark the pilot and set various Southerly headings towards Le Havre.

Tendering Ashore

When you and your complete party are ready to go ashore, please proceed to the Symphony Dining Room on Deck 5 Midship from 7:15am onwards. The Cruise Director's Staff will issue tender tickets and direct you to the tender boats as they become available. Tender ticket numbers will be announced in the dining room only. Passengers on tours will should meet at the time and location indicated on your Tour Ticket. Passengers on tours meeting directly ashore, should proceed ashore no later than 45 minutes prior to the meeting time indicated on your tour ticket to allow sufficient time to tender ashore. Those passengers wishing to spend time ashore in the morning prior to their afternoon tour should use the tender ticket system. Please do remember that not everyone can go ashore at the same time and there will be delays during peak times, also due to the distance from the ship to the tender pier, therefore we ask that you plan your day accordingly. We thank you for your understanding in this matter.

Wheelchairs & Motorized Scooters

Passengers confined to wheelchairs & motorized scooters will not be able to use the tender service for safety reasons. Passengers who are able to move, assisted by ship's staff independently of their wheelchair, may use the tender service. For further inquiries, please contact the Passenger Services Desk or visit www.princess.com for more information.

Ship's Security Notice

In order to prevent unauthorized persons boarding the ship, you are required to carry your "Cruise Card" with you when going ashore. You will be asked to produce this at the gangway when you leave and return to the ship. Please ensure that you also have a Government issued picture ID with you before leaving the ship, as you may be required to show this at security checkpoints upon your return. Be aware that we have established a secure area around the vessel and our security procedures require that you must be prepared to show your cruise card when entering this area, in addition to showing it to the security staff at the gangway when leaving or boarding the ship. We kindly ask you not to accept and bring on board any parcels or packages from strangers. Before boarding the ship, you may also be asked by our Security Staff to open parcels or handbags which you are carrying. We are sure that you will appreciate that this security is in the best interest of all concerned.

Safety in Tenders

Today we will be taking you ashore by using the ship's tenders. For your own safety please read the Tender Safety Notice at the head of the gangway and familiarize yourself with the contents of the Emergency Instructions Notice posted in the cab of each tender. You are reminded that there must be No Smoking whilst in the tenders and that to avoid risk of injury, you must keep your hands and arms off the side of the tender as it comes alongside the ship or wharf. It is important that you follow the instructions given by crew members and that you remain seated whilst in the tenders. Do not get in or out of the tenders until instructed to do so by the ship's staff.

Shore Excursions: Tour office hours: 5:00pm-7:00pm – Plaza, Deck 5 Midship

Tour Staff are available in the Princess Theater, Deck 7 forward this morning and ashore on the pier this afternoon during tour dispatch, to check on any last minute availability for today.

Going on Tour - Please present your tour ticket at your meeting time & location. Please do not arrive ahead of the indicated time in order to avoid additional congestion and longer waiting periods.

Those wishing to travel together should meet together, to be allocated space in the same transportation.

Afternoon tours, meeting directly ashore on the pier, often use transportation from earlier departures and therefore will only be in position for loading at the specified time.

The staging area is not sheltered, nor is seating available, and these factors in addition to the weather conditions should be carefully considered before arriving far earlier than scheduled.

Tendering Notice - Passengers on tours meeting directly ashore on the pier, should proceed ashore no later than 45 minutes prior to the meeting time indicated on your tour ticket to allow sufficient time to tender ashore. Those passengers wishing to spend time ashore in the morning prior to their afternoon tour should use the tender ticket system.

Cancellations or exchanges for Le Havre (Paris/Normandy) close at 6:00pm this evening.
