The Officer's Daily Log

Meet Photo & Video
Manager Nicole Fox

Born and raised in Melbourne, Australia, Nicole Fox found her passion for photography at an early age.

After completing her formal training in college, Nicole worked at studios across Australia and England, even starting her own wedding photography business in Darwin.

In 2006, Nicole joined the team onboard Star Princess, where she discovered her favorite destinations: the photogenic Greek Isles of Mykonos and Santorini.

A Melbourne girl at heart, Nicole enjoys spending time with her family, camping and motor biking when she's not at sea.

Between the excitement on board Royal Princess® and the fascinating sights at our ports of call, your voyage is sure to leave you with a lifetime of memories.

Invergordon is a town covered with beautiful painted murals that highlight the community's history and provide a colorful backdrop for your photos. It is also your gateway to the Scottish Highlands in the north, including the city of Inverness. Inverness sits at the mouth of Loch Ness, the infamous home of the legendary Loch Ness Monster. Search the waters for old Nessie or travel to the medieval Cawdor Castle. Parts of the castle date back to the 14th century, and it features spectacular gardens outside. You can also take your camera to the rushing Falls of Shin or travel onward to the River Shin to see if you can capture a leaping salmon on film.

My staff of digital photographers and videographers and I are delighted to help capture the highlights of this cruise for you. We'll chronicle your memories at sea, including onboard events, ports and scenery. I invite you to visit our Photography & Video Gallery, where you can learn about the various products and services we have to offer.

Be sure to take advantage of all our studio locations set up in the Atrium each evening. All formal and casual portraits will be on display in the gallery on the following day and are now easier to find than ever with our new digital system, MyPix. Please ask our staff about portrait packages, reprints and canvas enlargements of your favorite photos!

And don't forget about the one-of-a-kind Reflections DVD, exclusively produced for this cruise, featuring onboard events and scenic footage. Highlights of this exclusive onboard production are shown on Stateroom Television.

If one picture is worth a thousand words, the memories you'll bring home from this voyage are worth volumes!

From the Navigator

In the morning we will alter to starboard, enter the Moray Firth channel and embark our local pilot. We will set then westerly heading proceeding towards our assigned berth (Admiralty Pier). On departure with all on board and with all pre departure checks complete, we will let go the mooring lines, thrust off and retrace our track towards the channel. Later we will disembark the pilot and set initially East/South Easterly course throughout the Moray Firth aiming to our next port of call South Queensferry (Edinburgh).

Environmental Safety Notice

For the effective operation of the ship's sewage treatment plant, we kindly request passengers to refrain from disposing any unused shampoos or other types of liquids down the drain. Any containers with liquids should be disposed with the regular garbage collected by your stateroom steward. Thank you.

5:30pm All Aboard!

Royal Princess sails for South Queensferry shortly thereafter.

Independence Day

On July 4, 1776, the United States officially declared its independence from the Kingdom of Great Britain. However, as Congress voted to assert their independence two days prior, John Adams predicted that a federal holiday would thereafter be commemorated on the second of July.

Although Adams' prediction did not come true, the Fourth of July has come to represent a yearly celebration of patriotism that many mark with barbecues and spectacular fireworks displays. Whether this will be your 1st or 101st observation of the holiday, we invite all onboard to join us in the celebration of America's Independence Day!

The legal drinking age of 18 years is observed onboard and photo ID may be required. A 15% service charge is automatically added to all bar and wine bills.

Ship's Security Notice

In order to prevent unauthorized persons boarding the ship, you are required to carry your "Cruise Card" with you when going ashore. You will be asked to produce this at the gangway when you leave and return to the ship. Please ensure that you also have a Government issued picture ID with you before leaving the ship, as you may be required to show this at security checkpoints upon your return. Be aware that we have established a secure area around the vessel and our security procedures require that you must be prepared to show your cruise card when entering this area, in addition to showing it to the security staff at the gangway when leaving or boarding the ship. We kindly ask you not to accept and bring on board any parcels or packages from strangers. Before boarding the ship, you may also be asked by our Security Staff to open parcels or handbags which you are carrying. We are sure that you will appreciate that this security is in the best interest of all concerned.

Alcohol Policy

We kindly request that you do not bring alcoholic beverages (other than wine and/or champagne) onboard for consumption. Alcoholic beverages that are purchased duty free from the ship's gift shop or at ports of call will be collected for safekeeping and delivered to your stateroom on the last day of the voyage.

Shore Excursions: Tour office hours: 5:00pm-7:00pm – Plaza, Deck 5 Midship

Tour Staff are available in the Princess Theater, Deck 7 forward this morning and ashore at the end of the pier this afternoon during tour dispatch, to check on any last minute availability for today.

Going on Tour - Please present your tour ticket at your meeting time & location. Please do not arrive ahead of the indicated time in order to avoid additional congestion and longer waiting periods. Those wishing to travel together should meet together, to be allocated space in the same transportation.

Afternoon tours, meeting directly ashore at the end of the pier, often use transportation from earlier departures and therefore will only be in position for loading at the specified time.

The staging area is not sheltered, nor is seating available, and these factors in addition to the weather conditions should be carefully considered before arriving far earlier than scheduled.

Important Information – There is a lengthy walk from the ship to the tour transportation at the end of the pier!
