ST PETERSBURG IS YOURS TO DISCOVER

St. Petersburg is a Russian port city on the Baltic Sea. Founded in 1703 by Peter the Great, it was the imperial capital for 2 centuries. It remains the country's cultural center with venues like the hypermodern Mariinsky Theatre hosting opera and ballet. Also, why not visit the Russian Museum showcasing Russian art, from Orthodox icon paintings to abstract works by Kandinsky.

Due to clearance and immigration officials, the vessel will be cleared at approximately 8:00a. The local officials will clear guests on a NCL organized tour first shortly followed by all independent guests.

TIP OF THE DAY: If you haven't yet made reservations for our shows, remember our stand by line to accommodate available seats.
