WELCOME TO STOCKHOLM, SWEDEN

Laced by an ingenious network of waterways and bridges strung between a freshwater lake and the sea, Stockholm is easily seen on foot or by waterway cruise. Its gabled old townhouses peer over cobblestone streets, while its magnificent 17th-century palace sits watching over the harbor. The city is spread across a total of 17 islands and was founded in 1252 by a Swedish statesman, Birger Jarl.

TIP OF THE DAY: Did you remember to set your clocks back one hour last night?
