

Daily Programme.

From the Navigator.

This morning Queen Victoria is alongside in the busy port of Barcelona. Although Queen Victoria may seem quiet and peaceful, for the majority of the crew it is business as usual with regular bridge and engine room watches maintained as well as our busy galley staff operating 24 hours. Indeed, throughout Queen Victoria's entire life the bridge and engine room will never be left unattended.

Interesting Cunard Facts.

- Historically September is the busiest month for ship launches. Famous ships launched in September include Mauretania, Queen Mary, Queen Elizabeth and Queen Elizabeth 2.
- Cunard purchased more tickets on Concorde than any other.
- Churchill credited to role of Queen Mary, Queen Elizabeth and Aquitania for shortening the war in Europe by at least a year.
- The first liner to cross the Atlantic in under five days was Lusitania which left Liverpool on 5 October 1907. She completed the voyage from Daunts Rock to Sandy Hook in four days, 19 hours and 55 minutes.

In the port of Barcelona, Spain.

All Aboard Time: 6.30pm

Barcelona is the capital and largest city of Catalonia and Spain's second largest city, with a population of over one and half million people (over five million in the whole province). This city, located directly on the north-eastern Mediterranean coast of Spain, has a rich history, having been under Roman, then Frank law before declaring its independence. In 1992, Barcelona gained international recognition by hosting the Olympic games which brought a massive upturn in its tourism industry. This had the effect of changing the city in ways that are still felt today with neighbourhoods renovated (and in some cases levelled) and the intense focus of modern design permeating all aspects of life in Barcelona, from public buildings to something as simple as a park bench or an event poster. For visitors, this has translated into the very modern, yet incredibly old city you see now in the twenty first century, where the new elements work to both preserve and celebrate the ancient. This beautiful city is full of what European cities are known for (outdoor markets, restaurants, shops, museums and churches) and is fantastic for walking with an extensive and reliable Metro system for more far-flung destinations. The core centre of town, focused around the Ciutat Vella ("Old City") provides days of enjoyment for those looking to experience the life of Barcelona while the beaches the city was built upon provide sun and relaxation during the long periods of agreeably warm weather.

Show Time Tonight.

Worby and Farrel Rhapsody.

Tonight they bring their unique touch to the world's greatest music featuring their award-winning version of Gershwin's Rhapsody in Blue and Queen's Bohemian Rhapsody. Prepare to be moved, excited and amazed. But above all prepare to laugh with joy at the sheer ingenuity and style of these two masters of musical mayhem. You have never seen a piano played like this before.
