Welcome to your day in Marseille, France.

7:13 AM 5:30 PM

Stretching over a gorgeous expanse of pastoral perfection, Provence encompasses postcard-worthy villages, striking cliffside panoramas and a sophisticated artistic scene. Its main port, Marseille, is France's second-largest city and a magnet for creative souls. Opera, ballet, theater, cinema, music, galleries and museums thrive here, overlooking the Mediterranean. The first Roman settlement outside of Italy, Provence has always enjoyed a unique character. Independent for nearly 600 years between Roman and French rule, its culture still retains a sense of joyful freedom and simple vitality. Ramble contentedly through the idyllic sweep of Marseille and Provence to experience its rustic charms and refined allure.
