Welcome to your day in Nice, France.

7:07 AM 5:20 PM

With streets full of colorful buildings, palm-lined boulevards, and a harbor of turquoise blue, you may feel like you've somehow stepped into a living painting when you arrive in Nice. And in fact, the clear air and soft light of the city has inspired some of the artistic greats like Chagall and Matisse—both of whom have museums dedicated to their works here. But no need to pinch yourself, Nice is just that nice. Often called "the Queen of the Riviera", the epitome of Nice's famous joie de vivre can be found in full swing on the Promenade des Anglais. Hugging the Baie des Anges the promenade features stunning views, especially at sunset.

Looking Ahead ...

SIGHTS OF MONACO & MONTE CARLO (FOR NICE, FRANCE - DAY 2)
