Welcome to your second day in Nice, France

7:09 AM 5:19 PM

For a taste of the city's stunning views, take a stroll along the Promenade des Anglais, known by locals as the Prom. Situated along a three-mile stretch of the Baie des Anges, this palm-lined promenade is the perfect spot to fall in love with Nice, especially around sunset, when the views are spectacular. Prefer pedals over being a pedestrian? You'll also want to make your way to Vieux Nice, the city's legendary old quarter. The layout of this neighborhood has remained mostly unchanged for 300 years. Today, its narrow streets are lined with restaurants, boutiques, cafes, and establishments
